

# FBC Academy July Newsletter 2009

## FROM THE DIRECTOR'S DESK

Dear Parents and Friends of FBC Academy,

Summer is here with July featuring our country's birthday and FBC Academy having its first annual "Happy Birthday America Parade" on July 2 at 9:30. The children have been preparing for several days with the making of special hats, handmade flags and all kinds of decorations. Each week this summer we will have a special theme and character trait to focus on with this week being-"Happy Birthday America" and the character trait being kindness and being a good citizen. Check your child's room or the hall entrance door for other themes and traits for the summer. Children of the Bible will be tied into many of these traits as well along the way.

July also brings my first year anniversary as Director. This year has been a year I will definitely keep in my memory book. It has been a year for many learning experiences as I have met you, your children and my staff. I have even a greater appreciation for the early child care profession and parents of young children in today's world than I have ever had before. I appreciate the support you have given me and the Academy over the last year and I look forward to the future the Lord has for me in this ministry. I ask that you continue to pray for me and the Academy staff as we provide care for "our angels in training".
