

*In the book of Matthew we are told that we are to shine our lights so that others can see our good works....not to praise us but to glorify our Father in Heaven. That is what Love**Loud** is all about. This year our Youth Ministry will look for ways that we can show the love of Christ and the share the Gospel message **LOUD** and **CLEAR**. We have two priorities with this theme:*

Regular Youth Activities

Sunday School
9:45 am Sunday Mornings

Youth Music & Drama Team
5:30pm Sunday Evenings

Sunday Night Worship
6:30pm select Sunday Evenings

“The Gathering” Youth Group
7pm Wednesday Evenings

Monthly Activities

(1) Teach our students the foundations of the Bible and what a life serving Christ looks like.

(2) Demonstrate and provide opportunities in which our students, parents and leaders will share the Gospel by serving and loving others around us.

*This concept will be present in everything we do - we will design our events so that you will want to invited friends. We will make our groups and classes open so that visitors will feel welcome. Simply we will love God so **LOUDLY** that everyone will know He is our Lord. I hope that this new year will be exciting and rewarding for our youth and their families.*

*Remember - Love**Loud**!*
